Let's have a BLAST this summer!

Please be sure to dress children in play clothes that can get wet and/or dirty. Please pack a spare change of clothes each day (in a bag labeled with child's name) just in case!

Please apply sunscreen prior to camp arrival each day.

Please send a healthy and delicious lunch each day, along with a water bottle. Be sure everything is labeled with your child's name. The children will participate in snack preparation daily so there is no need to pack a snack.

Each camp is Monday through Friday 9-1. Prompt arrival and pick-up ensures we have the best camp experience possible.

Join the Fun!

Covenant Presbyterian Preschool hosts a summer program like no other! We offer traditional play with non-traditional themes that let children be creative, out-of-the-box thinkers. They'll explore, create, experiment and observe using a variety of materials.

Each summer camp is a glimpse into the everyday high quality Covenant experience kids are sure to love. There will be art, science, games, free play, sensory exploration, cooking and more!

In addition to the fun and stimulating activities, summer camps are also a great way for children to transition between school years. They allow campers the chance to try new things and create amazing memories!

Camps are for children ages 2 to 7. Each child must be able to use the restroom independently and feed themselves.
